01 OCT 2022

Ballyferry
Glebe Road
G. Kilkenny

applicant name,

Anglo Beef Processors
Ireland Unlimited Company

Register number : P0040-03

As a public representative I
wish to express grave concern
regarding the extremely
strong stench from trucks
which are carrying animal
related parts to the
ABP rendering plant
(Waterford Proteins)

The odour which is very
strong is very apparent
and is very pickling in nature

I wish for these concerns and
for the concerns of residents
of both Kilkenny and
Waterford in the
Fountain area to be
noted as this ongoing
situation is beyond being
acceptable

This situation which
locals and passing
through traffic needs
amending and to be
subject to this
regular stretch is
unconprehensible

I wish to raise another
matter in the form of
the South East Greenway
which incorporates Drogheda,
Kilkenny & Waterford
County Councils developing
a 22km length of freeway
which sees Ferrybank
being a section of this
much looked forward to
public amenity and which
is being progressed with
a timeline of being
fully operational in 2026

To this end I wish for
Waterford Problems (Anglo Bay
Processors Ireland Unlimited Company)
to address the present
serious situation and to
seek to resolve the current
practices.

With regards,
c/c. Fíach's Dehery
