Re: Frequent Odour issues In Ferrybank and Dunmore Road, Waterford

To whom it concerns,

I am a property owner in the vicinity of the AIBP rendering facility in Christendom, Ferrybank, Waterford. I would like to express concerns regarding air quality in Ferrybank and the Dunmore Road Waterford. A smell emanates from the AIBP rendering plant in Christendom very frequently and randomly, all year round and any time of the day, which forces me to question whether the plant fails too often and therefore poses a risk to our health and the environment.

Thanks in advance for taking this into account when reviewing the licence above.

Kind regards,

Catherine Moloney
