Dear Sir / Madam,

I have been asked by An Bord Pleanála to refer to your letter dated 14<sup>th</sup> December, 2022 in relation to the above-mentioned application for a review of an Industrial Emissions Licence under section 87(1B)(a)(i) of the EPA Act, 1992, as amended. In respect of the Environmental Protection Agency's request for observations in accordance with the provisions of section 87(1E)(a) of the EPA Act, 1992, as amended, and having regard to the specific queries raised in your letter, the Board would wish to comment as follows:

- Having carried out an initial inspection of documents on the Agency's website, the Board considers that the activity, subject of the current Industrial Emissions licence review application, would appear to be the same from that approved the proposed development, subject to condition, as strategic infrastructure development, on 30<sup>th</sup> April, 2021 under Board reference ABP-303211-18.
- The decision was made by the Board after the carrying out of an environmental impact assessment and following an oral hearing into the case, which was held on 23<sup>rd</sup> November, 2020, and receipt of an Inspector's report on the said case, which includes a section on environmental impact assessment and consideration of key associated issues.
