To whom it may concern:

In response to your letter received November 20<sup>th</sup> 2023 in relation to the Industrial Emissions Licence applied for by Michael Hanley Farm Enterprises Limited for the rearing of poultry where the capacity exceeds 40,000 places at Knockdromin, Croagh, Co. Limerick, I can confirm the following:

The licence applications relates to a permitted development attached to the grant of permission 20/1138 for alterations and extension to existing poultry house and associated site works.

All documents can be found on Limerick City & County Council's Planning Enquiry system - [Search for a Planning Application | Limerick.ie](#). An EIA was requested by way of further information and submitted by the applicant.

The Planner's Reports, which assessed the application, can also be found on the Planning Enquiry system – link above. The Planning Authority have no further observations to make at this time.

Kind regards,

Áine Leland
