**Subject:** Application for a Waste Water Discharge licence review by Irish Water at Coachford, Co.Cork. Reference No: D0427-02 EPA043076

A chara,

Thank you for your recent notification of the above reference application.

The Lee Reservoir, the receiving water for effluent from Coachford WWTP, is a significant salmonid fishery. In the context IFI would ask the EPA to ensure that current actual background data is applied when calculation of the assimilative capacity relative to legislative requirements is carried out as part of the licence application. The use of a 'notionally clean river approach' is neither sustainable or appropriate .

Michael Mc Partland  
Senior Fisheries Environmental Officer.

The banner features the Inland Fisheries Ireland logo on the left, which is a stylized fish shape. To the right of the logo is the text "Iascach Iníre Éireann" and "Inland Fisheries Ireland". In the center is a circular inset image of a woman talking on a mobile phone. On the right side of the banner, the text "beolíne / hotline" is written above the large number "0818 34 74 24". Below the number, it says "Oscailte 24 uair an lae / 7 lá in aghaidh na seachtaine" and "Open 24 hours a day / 7 days a week".
