Dear Sir/Madam,

I refer to EPA correspondence dated 25<sup>th</sup> January 2024 regarding an Industrial Emissions licence application submitted by Kilshane Energy Limited for their facility located at Kilshane Road, Kilshane, Dublin 11.

Uisce Éireann have assessed IE licence application P1208-01 and have determined that the applicant is not proposing, as part of the application, to provide for the discharge of process effluent to the sewer. On this basis, emission limit values and monitoring frequencies for process effluent to sewer are not being proposed. I trust this response satisfies Uisce Éireann's requirement pursuant to your notice.

If you have any further queries, please do not hesitate to contact Uisce Éireann.

Yours sincerely,
