**Subject:** RE: S0037-01 Wicklow County Council - Dumping at Sea Application

Good day,

MSO will make the necessary review and recommendation relating to the safety of navigation of the application as per subject line where the applicant submits for assessment

- an admiralty chart with the dredge and dumping sites clearly marked.
- a risk assessment relating to safety of navigation in the Channel of Wicklow port, and of the proposed dumping site.

Regards,  
Steve
