## APPLICATION TO THE ENVIRONMENTAL PROTECTION AGENCY FOR A WASTE LICENCE

**ROADSTONE DUBLIN LTD., Fortunestown, Tallaght, Dublin 24** intends to apply to the Environmental Protection Agency for a waste licence for remediation of unauthorised landfill sites on its land in Dillonsdown, Deerpark, Newpaddocks and Santryhill townlands, Blessington, Co. Wicklow (National Grid Reference 2986E 2152N).

The proposed remediation scheme comprises

- (i) excavation and removal of all buried domestic, commercial and industrial waste (including surrounding and intermixed soil) and overlying construction and demolition waste at each of three unauthorised landfill sites;
- (ii) segregation and recycling of a maximum of 120,000 tonnes of construction and demolition waste;
- (iii) segregation and off-site removal of hazardous waste (if any);
- (iv) disposal of a maximum of 180,000 tonnes of residual non-hazardous domestic, commercial or industrial waste at an engineered landfill within the Applicant's landholding in Dillonsdown townland;
- (v) restoration of unauthorised landfill sites and
- (vi) long-term monitoring of all environmental emissions.

The principal activity is Class 1 of the Third Schedule of the Waste Management Acts 1996 to 2003 – deposit on, in or under land (including landfill).

Other activities are Class 5 of the Third Schedule (specially engineered landfill), Class 13 of the Third Schedule (temporary storage pending disposal), Class 4 of the Fourth Schedule (recycling or reclamation of inorganic materials), Class 10 of the Fourth Schedule (treatment of waste on land with a consequential benefit for an agricultural activity or ecological system) and Class 13 of the Fourth Schedule (temporary storage pending recycling)

An Environmental Impact Statement will be submitted to the Agency with the Waste Licence Application.

A copy of the Waste Licence Application, the Environmental Impact Statement and further information relating to the Application that may be furnished to the Agency in the course of its consideration of the Application will, as soon as practicable after receipt by the Agency, be available for inspection or purchase at the headquarters of the Agency.
