re: Notice in accordance with Article 8 of the Waste Management (Licensing) Regulations

Dear Mr. Buckley

I am to refer to the above referenced application for a waste licence relating to a facility at Crag Avenue, Clondalkin Industrial Estate, Clondalkin, Co. Dublin. I am directed to advise you that it appears to the Agency that the notices published and erected or fixed in relation to the application are misleading or inadequate for the information of the public in the following respects:

1. The National Grid Reference in the newspaper notice is incorrect.
2. The wording in the newspaper notice for Class 8 of the Fourth Schedule of the Waste Management Act is different to that specified in the Act.
3. The notices do not comply with Article 6(d).
4. The notices do not comply with Article 6(e).

The Agency therefore requires you, in accordance with Article 8 of the regulations, to

1. Publish an amended newspaper notice in accordance with Article 6 of the Waste Management (Licensing) Regulations. The notice should be published in the newspaper which carried the original notice.
2. Replace the existing site notice with an amended notice that complies with Article 7 of the Waste Management (Licensing) Regulations.
3. Maintain the notice as amended at a location complying with Article 7 of the Waste Management (Licensing) Regulations for a period of two months following the making of the specified amendment.

The Agency further requires you to submit the following evidence in relation to compliance with the above requirement:

1. An original of the newspaper and five copies of the relevant page of the newspaper in which the amended notice has been published. It must be clear that the notice has been published in an Irish edition of the paper.

2. An original and five copies of both a letter stating the date on which the amended site notice was fixed and a drawing showing its location on site.
3. An original and five copies of the text of the amended notice erected or fixed in accordance with Article 7.

The evidence requested should be submitted within four weeks of the date of this notice, in the form of an original and five copies.

Please direct all correspondence in relation to this matter to *Administration, Office of Licensing & Guidance, Environmental Protection Agency, Headquarters, PO Box 3000, Johnstown Castle Estate, County Wexford* quoting the register number.

Yours sincerely,

Emer Cooney
Inspector
Office of Licensing & Guidance
