## MEATH COUNTY COUNCIL – FURTHER INFORMATION.

Significant further information and revised plans have been submitted (listed hereunder) in relation to application **NA/40198**, at Wilkinstown, Navan - all waste accepted on site will be treated in enclosed in-vessel composting units during the first stage of composting, a waste reception building will be built on the slab where waste will be inspected, stored and blended prior to being composted in the in-vessel units, an improved site entrance will be developed to allow for double lane traffic and to ensure the site entrance meets DMRB standards, internal access roads will be upgraded, an Environmental Impact Statement, improved signage and the use of security gates at the site entrance and at the entrance, minor revisions to the boundaries of the concrete yard.

This development is subject to an application for an Environmental Protection Agency Waste Licence under the Waste Management Act 1996.

Application NA/40198 relates to retention permission for ancillary composting facilities at existing development at Wilkinstown, Navan (existing planning permission 90/045, 22/8/90), comprising bunded concrete yard area. Permission is also requested for completion of works including boundary fence and landscaping. This planning application may be inspected or purchased at the offices of the Planning Authority, Railway Street, Navan, and a submission or observation in relation to the application may be made to the Authority in writing within a period of 2 weeks from the date of receipt by the Authority of the application and on payment of the prescribed fee of €20.
