Consideration of the objections and submissions on objections

The Technical Committee (TC) Dara Lynott (Chairperson), Pernille Hermansen, David Shannon met on 31 March 2003 to consider all of the issues raised in the objection. This report details the Committee's comments and recommendations following the examination of the objections received.

OBJECTIONS

Objection Number 1 From Dublin City Council

Objection 1, Item 1 – The Proposed Decision omits the charges for collection and treatment of trade effluent sought by Dublin City Council

Technical Committee's Evaluation

Dublin City Council correctly point out that these charges were omitted in error from the Proposed Decision. The issue of a rebate of the objection fee has been dealt with by the Board previously

Recommendation

Add new Condition 12.3

- 12.3 Sanitary Authority Charges.
- 12.3.1 Sanitary Authority charges based on volume and load of trade effluent will be applied at appropriate intervals and shall be made payable to the Sanitary Authority directly on an annual basis. Annual monitoring costs of €508 incurred by the Sanitary Authority shall also be defrayed by the licensee. Sanitary Authority charges will increase from time to time in response to increased costs in providing drainage and monitoring.

Amend Table D5.1 as follows:
