**RE: Waste Licence application in respect of Indaver Ireland at Waste Management Facility, Carranstown, Duleek, County Meath**  
**Ref: 167-1**  
**Unsolicited Additional Information**

Dear Mr Nolan,

Further to our recent submission to the Agency in relation to unsolicited additional information on the stack height of the waste to energy plant for Indaver Ireland's proposed development at Carranstown and the recent UNESCO visit to Co. Meath, I wish to point out that the documentation refers in places to our proposed Ringaskiddy Waste Management Facility. This is to a clerical error and all information provided in this documentation is in relation to our proposed Carranstown Waste Management facility only.

I trust this clarification to be satisfactory, however if you require any additional information please do not hesitate to contact me.

Yours sincerely,

Laura Burke  
Operations Manager
