Re: Waste Licence application Reg. No .167-1

Dear Sir / Madam,

I refer to the Agency's letters dated 14th February 2002 and 3rd May 2002 regarding the licensing status of the proposed development at Carranstown, Duleek, Co. Meath.

Under current legislation, it is our understanding that Indaver require an I.P.C. and a Waste Licence from the E.P.A. for this facility.

A waste licence application has been submitted to the Agency and an I.P.C. licence application will be submitted in due course.

I trust that the above is to your satisfaction, however should you require any additional information please do not hesitate to contact me.

Yours Sincerely,

Laura Burke
 Projects Manager
 Indaver Ireland
