Appeal Re: Waste Management Facility, Carranstown, Duleek, Co. Meath

Dear Mr Duffy

Further to your letter of 5<sup>th</sup> April 2002, attached please find letters from the Environmental Protection Agency, dated the 14<sup>th</sup> February 2002 and the 16<sup>th</sup> April 2002. These letters refer to the requirement for an IPC Waste Licence for Indaver's proposed facility at Carranstown.

Under current legislation, it is our understanding that Indaver require an IPC and a Waste Licence from the EPA for this facility, as per our newspaper advertisement and site notice associated with the planning application for this facility. Indaver submitted a Waste Licence Application for the facility in December 2001, which is currently being assessed by the EPA. An IPC Licence is being prepared and will be submitted to the EPA in due course.

Yours sincerely,

*J Jackie Keaney*
