re: Waste licence application by Indaver Ireland (Branch of Indaver NV) in respect of a facility at Indaver Ireland, Waste Management Facility, Carranstown, Duleek, Co Meath.

Dear Ms Lynch,

I am to acknowledge receipt of your correspondence to the Agency dated 19/11/04 received on 22/11/04, in relation to the above referenced waste licence application.

I refer to the Agency's notification to you on 26 October 2004 informing you of its proposed decision on the above application. The proposed decision sets out the requirements in relation to objections in accordance with the Waste Management Acts, 1996 to 2003 and associated Regulations.

I am to advise that, as the application process has reached the stage where the Agency has made its proposed decision, the Agency is prohibited from considering any objection which does not fulfil the requirements of Section 42 of the Waste Management Acts, 1996 to 2003. As your correspondence does not fulfil those requirements, for the reasons set out below, the Agency cannot consider it and consequently it is returned herewith.

Section 42(4) of the Acts

Objection not accompanied by  
the appropriate fee, i.e. €190.46

The Agency will write to advise you of its final decision on the waste licence application in due course when it has completed its consideration of the valid objections which it has received.

Yours sincerely,

**Karen Vaughney**  
Programme Officer  
Office of Licensing & Guidance
