re: Waste licence application by Indaver Ireland (Branch of Indaver NV) in respect of a facility at Indaver Ireland, Waste Management Facility, Carranstown, Duleek, Co Meath.

Dear Mr McCall,

I am to acknowledge receipt of your correspondence to the Agency dated 16/11/04 received on 16/11/04, in relation to the above referenced waste licence application.

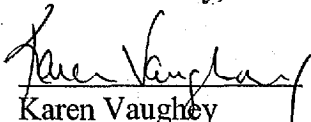

I am to advise that, as the application process has reached the stage where the Agency has made its proposed decision, the Agency is prohibited from considering any objection which does not fulfil the requirements of Section 42 of the Waste Management Acts, 1996 to 2003. As your correspondence does not fulfil those requirements, for the reasons set out below, the Agency cannot consider it and consequently it is returned herewith.

Section 42(4) of the Acts

Objection not accompanied by the appropriate fee, i.e. €190.46

I should also point out that there is no statutory provision that would allow the Agency associate your letter with any other objection or party. The Agency has not received an objection from Louth County Council or Drogheda Borough Council at time of writing.

Yours sincerely,

Karen Vaughan

Programme Officer

Office of Licensing & Guidance
