

Contents

NON-TECHNICAL SUMMARY	I
1.0 INTRODUCTION	1
2.0 SITE LOCATION AND CONTEXT	11
3.0 DESCRIPTION OF THE PROPOSED DEVELOPMENT.....	24
4.0 SOCIO-ECONOMIC CONTEXT	34
5.0 TRAFFIC AND TRANSPORTATION.....	51
6.0 NOISE AND VIBRATION	78
7.0 FLORA AND FAUNA	97
8.0 ARCHITECTURAL, ARCHAEOLOGICAL AND CULTURAL HERITAGE	109
9.0 AIR	126
10.0 CLIMATE	154
11.0 LANDSCAPE AND VISUAL IMPACT.....	160
12.0 SOILS & GEOLOGY	175
13.0 WATER.....	197
14.0 MATERIAL ASSETS	214
15.0 INTER-RELATIONSHIP BETWEEN FACTORS	217

List of Appendices

Appendix 6.1: Noise Monitoring Terminology

Appendix 9.1: Odours & Bioaerosols

Appendix 12.1: Trial Pit Logs

For inspection purposes only.
Consent of copyright owner required for any other use.

List of Drawings

Title	Ref. No.	Scale
Site Layout Plan	24014-001	1:250
Site Location Map	24014-002	1:2500
Site Drainage Layout Map	24014-003	1:250
Site Gate House	24014-004	1:50

For inspection purposes only.
Consent of copyright owner required for any other use.

List of Figures

- Figure 2.1: Site Location Map
- Figure 2.2: Alternative Sites 1 and 2
- Figure 2.3: Alternative Site 3
- Figure 5.1: Existing Surveyed Traffic Flows: Junction of Killeen Road and Kylemore Park North
- Figure 5.2: Existing Surveyed Traffic Flows: Junction of Kylemore Road and Kylemore Park North
- Figure 5.3: Existing Surveyed Traffic Flows: Junction of Kylemore Road and Kylemore Park South
- Figure 5.4: Existing Surveyed Traffic Flows: Junction of Killeen Road and Kylemore Park South
- Figure 5.5: Existing Surveyed Traffic Flows: Junction of Kylemore Road and Kylemore Park North
- Figure 5.6: Existing Surveyed Traffic Flows: Junction of Kylemore Road and Kylemore Park South
- Figure 5.7: Junction of Killeen Road and Kylemore Park North: Projected 2014
- Figure 5.8: Junction of Kylemore Road and Kylemore Park South: Projected 2014
- Figure 5.9: Junction of Kylemore Road and Kylemore Park South: Projected 2014
- Figure 6.1. Location of proposed civic amenity development and noise sensitive locations
- Figure 6.2: Calculated noise levels during construction phase
- Figure 6.3: Predicted operational phase noise levels, with a 3m wall to the rear of Labre Park Housing
- Figure 7.1: Habitat Layout Plan
- Figure 8.1: View of proposed development in relation to nearest upstanding archaeological sites. Extract from O.S. Dublin 1:10,560, Sheet 18 (1837).
- Figure 8.2: Proposed site layout over extract from O.S. Dublin 1:2,500 Sheet 18 (published 1866).
- Figure 8.3: Proposed site layout over extract from O.S. Dublin 1:2,500 Sheet 18 (published 1910).
- Figure 8.4: Proposed site layout over extract from O.S. Dublin 1:2,500 Sheet 18 (published 1938)
- Figure 8.5: Proposed site layout over extract from O.S. Dublin 1:2,500 Sheet 18 (published 1944)
- Figure 8.6: Proposed site layout over extract from O.S. Dublin 1:5,000 Sheet 5 (published 1980).
- Figure 8.7: Site layout plan showing trial test pit locations
- Figure A.9.1: Site location and baseline bioaerosol monitoring locations

List of Plates

- Plate 2.1: Grand Canal
- Plate 2.2: Galback Stream
- Plate 2.3: Pylons on Site
- Plate 2.4: Pylons on Site
- Plate 2.5: Memorial on Site
- Plate 3.1: Proposed Site Entrance
- Plate 3.2: View North up Kylemore Park West
- Plate 4.1: Overhead Lines and Pylons; Grazing Horses
- Plate 4.2: Labre Park has been subject to illegal dumping/"fly tipping" for many years
- Plate 4.3: Evidence of illegal dumping at northern boundary of site
- Plate 8.1: View of general area of proposed development from east. Note the Grand Canal bordering the site to the south
- Plate 8.2: View of proposed development from east
- Plate 8.3: View of memorial to Johnny Hanifin from northwest
- Plate 8.4: View of brick pathway approaching memorial to Johnny Hanifin from north
- Plate 8.5: View of proposed development site from WSW. Note open surface drain which borders site to the north
- Plate 8.6: View of proposed access route from Kylemore Park West. Taken from south
- Plate 11.1-20: Landscape
