Re: Ballaghveny Landfill Waste Licence Review Application - Waste Licence 78-2

Dear Inspector,

We refer to the above application for a review of the Waste Licence for Ballaghveny Landfill and to EPA correspondence dated 6th July 2004 requesting additional information in accordance with Article 14(2)(b)(ii) of the Waste Management (Licensing) Regulations.

Further to our telephone conversation on 27th May 2005 we now confirm that it is intended that composting will be carried out at Ballaghveny Landfill facility in accordance with the current landfill licence.

A waste licence review application fee of €16,506.59 was paid in March 2004. We now would like to formally apply for the refund of the waste licence review fee on behalf of North Tipperary County Council.

We are providing this information on behalf of North Tipperary County Council.

I trust this is satisfactory, but please do not hesitate to contact the undersigned if you have any queries.

Yours sincerely,

Siobhan Aherne
