re: Waste Licence Application in respect of Gleneden Trading Ltd at Unit 9, Raffeen Industrial Estate, Raffeen, Monkstown, Cork

Dear Managing Director

I am to refer to your incomplete application for a Waste licence, Reg. No 145-2 which was received by the Agency on 17/11/2004.

As you are aware, the Agency assessed your waste application for compliance with Article 12 of the relevant Waste Management (Licensing) Regulations and on 14 January 2005, requested information under Article 14(2)(b)(ii) of the same Regulations in order to complete the application.

None of the above information has been received by the Agency to date.

The Agency is of the opinion that the application has been abandoned. I enclose a Notice in accordance with Article 21 of the Waste Management (Licensing) Regulations, 2004.

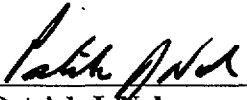

If no submission is received within the time limit the application will be regarded as having been abandoned.

Failure to provide the outstanding information within the time limit will also be regarded as indicating abandonment.

The Agency is empowered to treat the application as abandoned even if a submission is made and/or the documentation furnished. You should therefore treat this notice as one of primary importance and possibly the last opportunity for you to comply with your statutory obligations.

I am also to inform you that the carrying on of an unlicensed waste activity is an offence and subject to prosecution under the Waste Management Acts 1996 to 2003.

Yours sincerely,
