Dear Dr. Creed,

RPS MCOS are currently working on compiling a response to the Article 14 issued by the EPA on the 16th of June 2005 in relation to the Waste Licence Application made by Organic Gold (Marketing) Ltd. Unfortunately, we have not been able to complete this work within the 6 weeks timeframe referred to in your letter, due to some unforeseen circumstances. Organic Gold are keen to complete this work and will endeavour to return requested additional information to the EPA within 2-3 weeks of this date so that you can continue to process the Waste Licence Application.

I hope this is satisfactory. If you wish to discuss this matter further please do not hesitate to contact the undersigned.

Yours Sincerely,

Lorraine Herity
