**Article 13 Compliance Requirements**

10. EPA Request States

*In relation to Figure 1.1 Site Location of the Environmental Impact Statement (EIS) and EIS non-technical summary the proposed site is shown in the wrong location. Provide an updated Figure 1.1 Site Location to show the correct proposed location. The non-technical summary should be updated to reflect the further information you supply below in compliance with this notice, insofar as that information impinges on the relevant non-technical summary.*

Response

Figure 1.1 Site Location of the Environmental Impact Statement has been revised to illustrate the correct proposed location. The revised figure has been attached as Figure 1.1 Revision 1.

As the further information supplied in compliance with the Notice in accordance with Article 14(2)(b)(ii) of the Waste Management (Licensing) Regulations does not impinge on the relevant non-technical summary an updated non-technical summary is not required.
