

Extract from the 433rd Meeting of the Agency, held on 14 December 2004, in Headquarters, Johnstown Castle Estate, Wexford

4. **Request for Oral Hearing**

(i) Indaver Ireland – Reg No 167-1

The Directors considered documentation from the Office of Licensing and Guidance concerning a total of 6 requests received for an Oral Hearing of the objections raised in relation to the proposed decision on the Waste Licence application of Indaver Ireland, Carranstown, Co Westmeath, Register of Licence No 167-1. The Programme Manager had examined all the requests and considered that they satisfied the criteria set down by the Agency in relation to Oral Hearings. Following discussion on the issues raised in the Programme Manager's Report, dated 13 December, 2004, the Directors decided that an Oral Hearing should be heard.

The Directors decided that Ms Marie O'Connor, Senior Inspector in the Office of Licensing and Guidance, should be appointed as Chairperson of the Oral Hearing Committee. It was agreed that the OLG and OEE would discuss and make recommendations regarding an assistant to the Chairperson.
