Re: Notice of extension of period for consideration of an objection to the proposed decision on a waste licence application by Roadstone Dublin Limited in respect of a facility at Roadstone Dublin Remediation Landfill, Newpaddocks and Santryhill Townlands, Blessington, Co Wicklow

Dear Sir/Madam,

I refer to the objection to the Agency's proposed decision on the above referenced waste licence application.

I am to notify you in accordance with the provisions of Article 33(1) of the Regulations, that it will not be possible because of the complexity and nature of the information to be considered in the determination of the objection, to carry out the procedures for the consideration of the objection within the period specified in the Regulations.

I am also to advise that the Agency intends to complete the consideration of the objection before 8th February 2005.

The Agency intends to issue its decision on the application before the specified date, and will take all reasonable steps to ensure that there are no avoidable delays in making its decision.

Yours sincerely

Patrick J Nolan
