PUBLIC NOTICES

COMMERCIAL SALMON FISHING LICENCES FOR THE 2006 SEASON

Applications for drift, draft and other forms of commercial Salmon fishing licences are now invited by this Board. If you held a licence in the year 2005, you will normally be sent a renewal form. If you did not hold a licence in the year 2005 or because of change of address or other reasons you do not receive a renewal form, please contact this Office immediately.

Please note, all applications must be returned fully completed to reach the Chief Executive Officer at the Head Office in Macroom, not later than 12 midnight on the 31st of January 2006 (Please note new closing date). No late applications will be considered.

SIGNED:
AIDAN P. BARRY,
CHIEF EXECUTIVE OFFICER,
SOUTH WESTERN REGIONAL FISHERIES BOARD,

PUBLIC NOTICE

THE KERRYMAN - 17/11/05

COMHAIRLE CONTAE CHIARRAÍ KERRY COUNTY COUNCIL

APPLICATION TO THE ENVIRONMENTAL PROTECTION AGENCY FOR A WASTE LICENCE

Notice is hereby given that in accordance with the provisions of the Waste Management Acts 1996 - 2003 and the Waste Management (Licensing) Regulations 2004, (S.I. No 395 of 2004) that Kerry County Council, having its principal offices Áras an Chontae, Rathass, Tralee, Co. Kerry, will apply to The Environmental Protection Agency, P.O. Box 3000, Johnstown Castle, Co. Wexford, for the issue of a Waste Licence, in respect of a Civic Amenity Centre at Tanavalla Industrial Estate, Garryantanvally, Tralee Road, Listowel, Co. Kerry.

National Grid Reference for the site are: E98311 N132690

The facility will allow the general public to recycle and dispose of household waste materials. It will incorporate bins and containers for recyclable wastes and compactors to compact cardboard and mixed waste into enclosed containers.

The classes of activities to which the application relates are described below and are set out correspondingly in the Third and Fourth Schedules of the Waste Management Acts 1996 to 2003.

Classes of Activities

Third Schedule - Waste Disposal Activities

Class of Activity	Description	Quantity of waste likely to be handled (tpa)
Class 12	"Repackaging prior to submission to any activity referred to in a preceding paragraph of this schedule" Municipal solid waste will be compacted on site into an enclosed container. This is the Principal Activity at the Civic Amenity Centre.	1500
Class 13	"Storage prior to submission to any activity referred to in a preceding paragraph of this schedule, other than temporary storage, pending collection, on the premises where the waste concerned is produced" Municipal solid waste will be stored on site in an enclosed container prior to disposal off-site to licensed landfill.	

Fourth Schedule - Waste Recovery Activities

Class of Activity	Description	Quantity of waste likely to be handled (tpa)
Class 2	"Recycling or reclamation of organic substances, which are not used as solvents (including composting and other biological processes)" The Civic Amenity will provide for the recovery of paper, cardboard, timber and garden waste.	360
Class 3	"Recycling or reclamation of metals and metal compounds" The Civic Amenity will provide for the recovery of food cans, aluminium cans, and scrap metals.	155
Class 4	"Recycling or reclamation of other inorganic materials" The Civic Amenity will provide for the recovery of tetrapaks, textiles, household construction and demolition waste, electronic and electrical waste, white goods, glass, plastic bottles, household hazardous waste	285
Class 13	"Storage of waste intended for submission to any activity referred to in a preceding paragraph of this Schedule, other than temporary storage, pending collection, on the premises where such waste is produced" Recyclable materials will be temporarily stored on site before being later removed offsite to appropriate recycling facilities.	800

A copy of the Waste Licence Application and any such further information relating to the application as may be furnished to the Environmental Protection Agency in the course of the Agency's considerations of the application will, as soon as is practicable after receipt by the
