224 - 1

Dear Mr. Gilheaney,

In accordance with Article 18(1) of the Waste Management (Licensing) Regulations, I am to inform you of the receipt on 25 November, 2005, of documentation relating to a waste licence application from Kerry County Council in relation to a facility/premises located at Listowel Civic Amenity Centre Tanavalla Industrial Estate, Garryantanvally, Tralee Road, Listowel. This application has been assigned register number 224 - 1. Further details in relation to the application are supplied on the accompanying attachment.

I am to advise you that any person may make a submission to the Agency, in writing, in respect of the application, pursuant to Article 15 of the Regulations, which provides as follows:

Extract from the Waste Management (Licensing) Regulations

Submissions to the Agency regarding applications.

15. For the purpose of section 40(2)(b) of the Acts, a person may make a written submission to the Agency in relation to -
- (i) an application, and
  - (ii) such plans, documents and other information and particulars, including an environmental impact statement, as are submitted by the applicant in accordance with Articles 12, 13, 14 and 16, and the Agency shall not give notice of a proposed decision under Section 42(2) of the Acts before the expiry of a period of one month following the date of a relevant -
    - (a) acknowledgement in accordance with Article 14(2)(a), or
    - (b) notice in accordance with Article 16(2)(a), or
    - (c) acknowledgement in accordance with Article 16(4),whichever such date is the later.

The application and associated correspondence, including the acknowledgements and notifications referred to in Article 15; are available on the public file relating to the application as they arise and that file may be inspected by any person during office hours at the Agency's headquarters. Copy extracts from the file will be supplied by the Agency to any person, on request, subject to payment of the reasonable cost of making the copy.

The Agency will have regard to any submission made in accordance with the Regulations and will write, in due course, to each person who makes such a submission, to advise them of the Agency's proposed decision on the application.

In accordance with Article 22(1)(b) of the Waste Management (Licensing) Regulations, 2004, the Agency will write to you to inform you of its proposed decision on the application in due course.

Yours sincerely

Ann Bosley  
Programme Officer

28 November, 2005

224 - 1

Dear **Mr.** Hurley,

In accordance with Article 18(1) of the Waste Management (Licensing) Regulations, I am to inform you of the receipt on 25 November, 2005, of documentation relating to a waste licence application from Kerry County Council in relation to a facility/premises located at Listowel Civic Amenity Centre Tanavalla Industrial Estate, Garryantanvally, Tralee Road, Listowel. This application has been assigned register number 224 - 1. Further details in relation to the application are supplied on the accompanying attachment.

I am to advise you that any person may make a submission to the Agency, in writing, in respect of the application, pursuant to Article 15 of the Regulations, which provides as follows:

Extract from the Waste Management (Licensing) Regulations

Submissions to the Agency regarding applications.

15. For the purpose of section 40(2)(b) of the Acts, a person may make a written submission to the Agency in relation to -
- (i) an application, and
  - (ii) such plans, documents and other information and particulars, including an environmental impact statement, as are submitted by the applicant in accordance with Articles 12, 13, 14 and 16, and the Agency shall not give notice of a proposed decision under Section 42(2) of the Acts before the expiry of a period of one month following the date of a relevant -
    - (a) acknowledgement in accordance with Article 14(2)(a), or
    - (b) notice in accordance with Article 16(2)(a), or
    - (c) acknowledgement in accordance with Article 16(4),whichever such date is the later.

The application and associated correspondence, including the acknowledgements and notifications referred to in Article 15, are available on the public file relating to the application as they arise and that file may be inspected by any person during office hours at the 'Agency's headquarters. Copy extracts from the file will be supplied by the Agency to any person, on request, subject to payment of the reasonable cost of making the copy.

The Agency will have regard to any submission made in accordance with the Regulations and will write, in due course, to each person who makes such a submission, to advise them of the Agency's proposed decision on the application.

In accordance with Article 22(1)(b) of the Waste Management (Licensing) Regulations, 2004, the Agency will write to you to inform you of its proposed decision on the application in due course.

Yours sincerely

28 November. 2005

224 - 1

Dear Sir or Madam,

In accordance with Article 18(1) of the Waste Management (Licensing) Regulations, I am to inform you of the receipt on 25 November, 2005, of documentation relating to a waste licence application from Kerry County Council in relation to a facility/premises located at Listowel Civic Amenity Centre Tanavalla Industrial Estate, Garryantanvally, Tralee Road, Listowel. This application has been assigned register number 224 - 1. Further details in relation to the application are supplied on the accompanying attachment.

I am to advise you that any person may make a submission to the Agency, in writing, in respect of the application, pursuant to Article 15 of the Regulations, which provides as follows:

Extract from the Waste Management (Licensing) Regulations

Submissions to the Agency regarding applications

15. For the purpose of section 40(2)(b) of the Acts, a person may make a written submission to the Agency in relation to -
- (i) an application, and
  - (ii) such plans, documents and other information and particulars, including an environmental impact statement, as are submitted by the applicant in accordance with Articles 12, 13, 14 and 16, and the Agency shall not give notice of a proposed decision under Section 42(2) of the Acts before the expiry of a period of one month following the date of a relevant -
    - (a) acknowledgement in accordance with Article 14(2)(a), or
    - (b) notice in accordance with Article 16(2)(a), or
    - (c) acknowledgement in accordance with Article 16(4),whichever such date is the later.

The application and associated correspondence, including the acknowledgements and notifications referred to in Article 15, are available on the public file relating to the application as they arise and that file may be inspected by any person during office hours at the Agency's headquarters. Copy extracts from the file will be supplied by the Agency to any person, on request, subject to payment of the reasonable cost of making the copy.

The Agency will have regard to any submission made in accordance with the Regulations and will write, in due course, to each person who makes such a submission, to advise them of the Agency's proposed decision on the application.

In accordance with Article 22(1)(b) of the Waste Management (Licensing) Regulations, 2004, the Agency will write to you to inform you of its proposed decision on the application in due course.

Yours sincerely

1. Deposit on, in or under land (including landfill).
2. Land treatment, including biodegradation of liquid or sludge discards in soils.
3. Deep injection of the soil, including injection of pumpable discards into wells, salt domes or naturally occurring repositories.
4. Surface impoundment, including placement of liquid or sludge discards into pits, ponds or lagoons.
5. Specially engineered landfill, including placement into lined discrete cells which are capped and isolated from one another and the environment.
6. Biological treatment not referred to elsewhere in this Schedule which results in final compounds or mixtures which are disposed of by means of any activity referred to in paragraphs 1. to 5 or paragraphs 7 to 10 of this Schedule.
7. Physico-chemical treatment not referred to elsewhere in this Schedule which results in final compounds or mixtures which are disposed of by means of any activity referred to in paragraphs 1 to 5 or paragraphs 8 to 10 of this Schedule (including evaporation, drying and calcinations).
8. Incineration on land or at sea.
9. Permanent storage, including emplacement of containers in a mine.
10. Release of waste into a water body (including a seabed insertion).
11. Blending or mixture prior to submission to any activity referred to in a preceding paragraph of this Schedule.
12. Repackaging prior to submission to any activity referred to in a preceding paragraph of this Schedule.
13. Storage prior to submission to any activity referred to in a preceding paragraph of this Schedule, other than temporary storage, pending collection, on the premises where the waste concerned is produced.
<b>FOURTH SCHEDULE</b>
<i>Waste Recovery Activities</i>
1. Solvent reclamation or regeneration.
2. Recycling or reclamation of organic substances which are not used as solvents (including composting and other biological processes).
3. Recycling or reclamation of metals and metal compounds.
4. Recycling or reclamation of other inorganic materials.
5. Regeneration of acids or bases.
6. Recovery of components used for pollution abatement.
7. Recovery of components from catalysts.
8. Oil re-refining or other re-uses of oil.
9. Use of any waste principally as a fuel or other means to generate energy.
10. The treatment of any waste on land with a consequential benefit for an agricultural activity or ecological system.
11. Use of waste obtained from any activity referred to in a preceding paragraph of this Schedule.
12. Exchange of waste for submission to any activity referred to in a preceding paragraph of this Schedule.
13. Storage of waste intended for submission to any activity referred to in a preceding paragraph of this Schedule, other than temporary storage, pending collection, on the premises where such waste is produced.
