24 June, 2005

220 - 1

Dear Mr McGuigan,

In accordance with Article 18(1) of the Waste Management (Licensing) Regulations, I am to inform you of the receipt on 24 June, 2005, of documentation relating to a waste licence application from Greenstar Limited in relation to a facility/premises located at Waste Recycling Centre, Ramstown, Gorey, Co Wexford. This application has been assigned register number 220 - 1. Further details in relation to the application are supplied on the accompanying attachment.

In accordance with Article 18(3) of the above Regulations, a copy of the Environmental Impact Statement (EIS) submitted with this application also accompanies.

I am to advise you that any person may make a submission to the Agency, in writing, in respect of the application, pursuant to Article 15 of the Regulations, which provides as follows:

Extract from the Waste Management (Licensing) Regulations

Submissions to the Agency regarding applications.

15. For the purpose of section 40(2)(b) of the Acts, a person may make a written submission to the Agency in relation to -
- (i) an application, and
 - (ii) such plans, documents and other information and particulars, including an environmental impact statement, as are submitted by the applicant in accordance with Articles 12, 13, 14 and 16, and the Agency shall not give notice of a proposed decision under Section 42(2) of the Acts before the expiry of a period of one month following the date of a relevant -
 - (a) acknowledgement in accordance with Article 14(2)(a), or
 - (b) notice in accordance with Article 16(2)(a), or
 - (c) acknowledgement in accordance with Article 16(4),whichever such date is the later.

The application and associated correspondence, including the acknowledgements and notifications referred to in Article 15, are available on the public file relating to the application as they arise and that file may be inspected by any person during office hours at the Agency's headquarters. Copy extracts from the file will be supplied by the Agency to any person, on request, subject to payment of the reasonable cost of making the copy.

The Agency will have regard to any submission made in accordance with the Regulations and will write, in due course, to each person who makes such a submission, to advise them of the Agency's proposed decision on the application.

In accordance with Article 22(1)(b) of the Waste Management (Licensing) Regulations, 2004, the Agency will write to you to inform you of its proposed decision on the application in due course.

Yours sincerely

Note: The class or classes of activity concerned in this application are detailed on the reverse.

re: Waste Licence Application Reg No: 220-1, made by Greenstar Limited, Unit 6, Ballyogan Business Park, Ballyogan Road, Sandyford, Dublin 18 in respect of a facility/premises at Ramstown, Gorey, Co Wexford. The class or classes of activity concerned in the above referenced waste licence application as of 24 June 2005, in accordance with the Third and Fourth Schedules to the Waste Management Acts, 1996 to 2003 are as follows (see the description of these activities below):

Third Schedule Class/es: 11, 12, 13/

Fourth Schedule Class/es: 2, 3, 4, 13/

The applicant has specified the following as the principal activity: 4.2/

THIRD SCHEDULE	
Waste Disposal Activities	
1.	Deposit on, in or under land (including landfill).
2.	Land treatment, including biodegradation of liquid or sludge discards in soils.
3.	Deep injection of the soil, including injection of pumpable discards into wells, salt domes or naturally occurring repositories.
4.	Surface impoundment, including placement of liquid or sludge discards into pits, ponds or lagoons.
5.	Specially engineered landfill, including placement into lined discrete cells which are capped and isolated from one another and the environment.
6.	Biological treatment not referred to elsewhere in this Schedule which results in final compounds or mixtures which are disposed of by means of any activity referred to in paragraphs 1. to 5 or paragraphs 7 to 10 of this Schedule.
7.	Physico-chemical treatment not referred to elsewhere in this Schedule which results in final compounds or mixtures which are disposed of by means of any activity referred to in paragraphs 1 to 5 or paragraphs 8 to 10 of this Schedule (including evaporation, drying and calcination).
8.	Incineration on land or at sea.
9.	Permanent storage, including emplacement of containers in a mine.
10.	Release of waste into a water body (including a seabed insertion).
11.	Blending or mixture prior to submission to any activity referred to in a preceding paragraph of this Schedule.
12.	Repackaging prior to submission to any activity referred to in a preceding paragraph of this Schedule.
13.	Storage prior to submission to any activity referred to in a preceding paragraph of this Schedule, other than temporary storage, pending collection, on the premises where the waste concerned is produced.
FOURTH SCHEDULE	
Waste Recovery Activities	
1.	Solvent reclamation or regeneration.
2.	Recycling or reclamation of organic substances which are not used as solvents (including composting and other biological processes).
3.	Recycling or reclamation of metals and metal compounds.
4.	Recycling or reclamation of other inorganic materials.
5.	Regeneration of acids or bases.
6.	Recovery of components used for pollution abatement.
7.	Recovery of components from catalysts.
8.	Oil re-refine or other re-uses of oil.
9.	Use of any waste principally as a fuel or other means to generate energy.
10.	The treatment of any waste on land with a consequential benefit for an agricultural activity or ecological system.
11.	Use of waste obtained from any activity referred to in a preceding paragraph of this Schedule.
12.	Exchange of waste for submission to any activity referred to in a preceding paragraph of this Schedule.
13.	Storage of waste intended for submission to any activity referred to in a preceding paragraph of this Schedule, other than temporary storage, pending collection, on the premises where such waste is produced.

Dear **Mr.** Treacy,

In accordance with Article 18(1) of the Waste Management (Licensing) Regulations, I am to inform you of the receipt on 24 June, 2005, of documentation relating to a waste licence application from Greenstar Limited in relation to a facility/premises located at Waste Recycling Centre, Ramstown, Gorey, Co Wexford. This application has been assigned register number 220 - 1. Further details in relation to the application are supplied on the accompanying attachment.

In accordance with Article 18(3) of the above Regulations, a copy of the Environmental Impact Statement (**EIS**) submitted with this application also accompanies.

I am to advise you that any person may make a submission to the Agency, in writing, in respect of the application, pursuant to Article 15 of the Regulations, which provides as follows:

Extract from the Waste Management (Licensing) Regulations

Submissions **to** the Agency regarding applications

15. For the purpose of section 40(2)(b) of the Acts, a person may make a written submission to the Agency in relation to -
- (i) an application, and
 - (ii) such plans, documents and other information and particulars, including an environmental impact statement, as are submitted by the applicant in accordance with Articles 12, 13, 14 and 16, and the Agency shall not give notice of a proposed decision under Section 42(2) of the Acts before the expiry of a period of one month following the date of a relevant -
 - (a) acknowledgement in accordance with Article 14(2)(a), or
 - (b) notice in accordance with Article 16(2)(a), or
 - (c) acknowledgement in accordance with Article 16(4),whichever such date is the later.

The application and associated correspondence, including the acknowledgements and notifications referred to in Article 15, are available on the public file relating to the application as they arise and that file may be inspected by any person during office hours at the Agency's headquarters. Copy extracts from the file will be supplied by the Agency to any person, on request, subject to payment of the reasonable cost of making the copy.

The Agency will have regard to any submission made in accordance with the Regulations and will write, in due course, to each person who makes such a submission, to advise them of the Agency's proposed decision on the application.

In accordance with Article **22(1)(b)** of the Waste Management (Licensing) Regulations, 2004, the Agency will write to you to inform you of its proposed decision on the application in due course.

Yours sincerely

Application Reference/ Register No.: 220-1

Applicant Name/ Address:

Greenstar Limited
Unit 6, Ballyogan Business Park.
Ballyogan Road
Sandyford
Dublin 18

Name & Location of Facility/ Premises concerned:

Waste Recycling Centre, Ramstown,
Gorey, Co Wexford,

National grid reference of facility/ Premises

3 145 1584

Note: The class or classes of activity concerned in this application are detailed on the reverse.

re: Waste Licence Application Reg No: 220-1, made by Greenstar Limited, Unit 6, Ballyogan Business Park, Ballyogan Road, Sandyford, Dublin 18 in respect of a facility/ premises at Ramstown, Gorey, Co Wexford. The class or classes of activity concerned in the above referenced waste licence application as of 24 June 2005, in accordance with the Third and Fourth Schedules to the Waste Management Acts, 1996 to 2003 are as follows (see the description of these activities below):

Third Schedule Class/es: 11, 12, 13/

Fourth Schedule Class/es: 2, 3, 4, 13/

The applicant has specified the following as the principal activity: 4.2/

THIRD SCHEDULE	
Waste Disposal Activities	
1.	Deposit on, in or under land (including landfill).
2.	Land treatment, including biodegradation of liquid or sludge discards in soils.
3.	Deep injection of the soil, including injection of pumpable discards into wells, salt domes or naturally occurring repositories.
4.	Surface impoundment, including placement of liquid or sludge discards into pits, ponds or lagoons.
5.	Specially engineered landfill, including placement into lined discrete cells which are capped and isolated from one another and the environment.
6.	Biological treatment not referred to elsewhere in this Schedule which results in final compounds or mixtures which are disposed of by means of any activity referred to in paragraphs 1. to 5 or paragraphs 7 to 10 of this Schedule.
7.	Physico-chemical treatment not referred to elsewhere in this Schedule which results in final compounds or mixtures which are disposed of by means of any activity referred to in paragraphs 1 to 5 or paragraphs 8 to 10 of this Schedule (including evaporation, drying and calcination).
8.	Incineration on land or at sea.
9.	Permanent storage, including emplacement of containers in a mine.
10.	Release of waste into a water body (including a seabed insertion).
11.	Blending or mixture prior to submission to any activity referred to in a preceding paragraph of this Schedule.
12.	Repackaging prior to submission to any activity referred to in a preceding paragraph of this Schedule.
13.	Storage prior to submission to any activity referred to in a preceding paragraph of this Schedule, other than temporary storage, pending collection, on the premises where the waste concerned is produced.
FOURTH SCHEDULE	
Waste Recovery Activities	
1.	Solvent reclamation or regeneration.
2.	Recycling or reclamation of organic substances which are not used as solvents (including composting and other biological processes).
3.	Recycling or reclamation of metals and metal compounds.
4.	Recycling or reclamation of other inorganic materials.
5.	Regeneration of acids or bases.
6.	Recovery of components used for pollution abatement.
7.	Recovery of components from catalysts.
8.	Oil re-refining or other re-uses of oil.
9.	Use of any waste principally as a fuel or other means to generate energy.
10.	The treatment of any waste on land with a consequential benefit for an agricultural activity or ecological system.
11.	Use of waste obtained from any activity referred to in a preceding paragraph of this Schedule.
12.	Exchange of waste for submission to any activity referred to in a preceding paragraph of this Schedule.
13.	Storage of waste intended for submission to any activity referred to in a preceding paragraph of this Schedule, other than temporary storage, pending collection, on the premises where such waste is produced.

220 - 1

Dear Manager,

In accordance with Article 18(1) of the Waste Management (Licensing) Regulations, I am to inform you of the receipt on 24 June, 2005, of documentation relating to a waste licence application from Greenstar Limited in relation to a facility/premises located at Waste Recycling Centre, Ramstown, Gorey, Co Wexford. This application has been assigned register number 220 - 1. Further details in relation to the application are supplied on the accompanying attachment.

In accordance with Article 18(3) of the above Regulations, a copy of the Environmental Impact Statement (EIS) submitted with this application also accompanies.

I am to advise you that any person may make a submission to the Agency, in writing, in respect of the application, pursuant to Article 15 of the Regulations, which provides as follows:

Extract from the Waste Management (Licensing) Regulations

Submissions to the Agency regarding applications.

15. For the purpose of section 40(2)(b) of the Acts, a person may make a written submission to the Agency in relation to -
- (i) an application, and
 - (ii) such plans, documents and other information and particulars, including an environmental impact statement, as are submitted by the applicant in accordance with Articles 12, 13, 14 and 16, and the Agency shall not give notice of a proposed decision under Section 42(2) of the Acts before the expiry of a period of one month following the date of a relevant -
 - (a) acknowledgement in accordance with Article 14(2)(a), or
 - (b) notice in accordance with Article 16(2)(a), or
 - (c) acknowledgement in accordance with Article 16(4),whichever such date is the later.

The application and associated correspondence, including the acknowledgements and notifications referred to in Article 15, are available on the public file relating to the application as they arise and that file may be inspected by any person during office hours at the Agency's headquarters. Copy extracts from the file will be supplied by the Agency to any person, on request, subject to payment of the reasonable cost of making the copy.

The Agency will have regard to any submission made in accordance with the Regulations and will write, in due course, to each person who makes such a submission, to advise them of the Agency's proposed decision on the application.

In accordance with Article 22(1)(b) of the Waste Management (Licensing) Regulations, 2004, the Agency will write to you to inform you of its proposed decision on the application in due course.

Yours sincerely

24 June, 2005

220 - 1

Dear **Dr.** Noel Culleton,

In accordance with Article 18(1) of the Waste Management (Licensing) Regulations, I am to inform you of the receipt on **24 June, 2005**, of documentation relating to a waste licence application from Greenstar Limited in relation to a facility/premises located at Waste Recycling Centre, Ramstown, Gorey, Co Wexford. This application has been assigned register number **220 - 1**. Further details in relation to the application are supplied on the accompanying attachment.

In accordance with Article 18(3) of the above Regulations, a copy of the Environmental Impact Statement (EIS), submitted with this application also accompanies.

I am to advise you that any person may make a submission to the Agency, in writing, in respect of the application, pursuant to Article 15 of the Regulations, which provides as follows:

Extract from the Waste Management (Licensing) Regulations

Submissions to the Agency regarding applications.

15. For the purpose of section 40(2)(b) of the Acts, a person may make a written submission to the Agency in relation to -
- (i) an application, and
 - (ii) such plans, documents and other information and particulars, including an environmental impact statement, as are submitted by the applicant in accordance with Articles 12, 13, **14** and **16**, and the Agency shall not give notice of a proposed decision under Section 42(2) of the Acts before the expiry of a period of one month following the date of a relevant -
 - (a) acknowledgement in accordance with Article 14(2)(a), or
 - (b) notice in accordance with Article 16(2)(a), **or**
 - (c) acknowledgement in accordance with Article 16(4),**whichever such date is the later.**

The application and associated correspondence, including the acknowledgements and notifications referred to in Article 15, are available on the public file relating to the application as they arise and that file may be inspected by any person during office hours at the Agency's headquarters. Copy extracts from the file will be supplied by the Agency to any person, on request, subject to payment of the reasonable cost of making the copy.

The Agency will have regard to any submission made in accordance with the Regulations and will write, in due course, to each person who makes such a submission, to advise them of the Agency's proposed decision on the application.

In accordance with Article 22(1)(b) of the Waste Management (Licensing) Regulations, 2004, the Agency will write to you to inform you **of** its proposed decision on the application in due course.

Yours sincerely

A handwritten signature in black ink, appearing to be 'Ann Bosley', written over a horizontal line.

Fourth Schedule Class/es: 2, 3, 4, 13/

The applicant has specified the following as the principal activity: 4.21

THIRD SCHEDULE
Waste Disposal Activities
1. Deposit on, in or under land (including landfill).
2. Land treatment, including biodegradation of liquid or sludge discards in soils.
3. Deep injection of the soil , including injection of pumpable discards into wells, salt domes or naturally occurring repositories.
4. Surface impoundment, including placement of liquid or sludge discards into pits, ponds or lagoons.
5. Specially engineered landfill, including placement into lined discrete cells which are capped and isolated from one another and the environment.
6. Biological treatment not referred to elsewhere in this Schedule which results in final compounds or mixtures which are disposed of by means of any activity referred to in paragraphs 1. to 5 or paragraphs 7 to 10 of this Schedule.
7. Physico-chemical treatment not referred to elsewhere in this Schedule which results in final compounds or mixtures which are disposed of by means of any activity referred to in paragraphs 1 to 5 or paragraphs 8 to 10 of this Schedule (including evaporation, drying and calcination).
8. Incineration on land or at sea.
9. Permanent storage, including emplacement of containers in a mine .
10. Release of waste into a water body (including a seabed insertion).
11. Blending or mixture prior to submission to any activity referred to in a preceding paragraph of this Schedule.
12. Repackaging prior to submission to any activity referred to in a preceding paragraph of this Schedule.
13. Storage prior to submission to any activity referred to in a preceding paragraph of this Schedule, other than temporary storage, pending collection, on the premises where the waste concerned is produced.
FOURTH SCHEDULE
Waste Recovery Activities
1. Solvent reclamation or regeneration.
2. Recycling or reclamation of organic substances which are not used as solvents (including composting and other biological processes).
3. Recycling or reclamation of metals and metal compounds.
4. Recycling or reclamation of other inorganic materials.
5. Regeneration of acids or bases.
6. Recovery of components used for pollution abatement.
7. Recovery of components from catalysts.
8. Oil re-refining or other re-uses of oil.
9. Use of any waste principally as a fuel or other means to generate energy.
10. The treatment of any waste on land with a consequential benefit for an agricultural activity or ecological system.
11. Use of waste obtained from any activity referred to in a preceding paragraph of this Schedule.
12. Exchange of waste for submission to any activity referred to in a preceding paragraph of this Schedule.
13. Storage of waste intended for submission to any activity referred to in a preceding paragraph of this Schedule, other than temporary storage, pending collection, on the premises where such waste is produced.
