Dear Mr. De Margary,

Re: Waste Licence Application Donegal County Council, Meenaboll Landfill Site,
Letterkenny, County Donegal Reference No: 215-1

I am in receipt of your letter dated 3rd October 2005, that is marked 'private and confidential', in which you raise objection to a local authority landfill proposal at Meenaboll.

I am to advise that the Agency has an open and transparent policy in relation to correspondence with all its stakeholders. All submissions received by the Agency in respect of all licence applications are put on public file and are open for inspection by any person or body. In this context I am returning your letter with a view to providing you an opportunity to resubmit it in a non-confidential format.

The Agency received a waste licence application in respect of this proposed facility on 22nd December 2004. The application and its associated documentation are being assessed and examined in accordance with the provisions of the Waste Management Acts 1996 to 2003 and supporting Waste Licensing Regulations.

Should you make a non confidential submission to the Agency prior to issuing the proposed decision it will be taken into consideration by the Agency as part of the decision making process.

I hope this clarifies matters for you.

Yours sincerely

P. Nolan,
Programme Manager,
Office of Licensing & Guidance.
