County Wexford.**

Dear Ms Hermansen,

**MEENABOLL LANDFILL SITE - REFERENCE 215-1**

Further to your letter dated 17<sup>th</sup> February, reference 215-1/Art801PH, please note *that* an amended newspaper notice was placed in the Donegal Democrat on Thursday 24<sup>th</sup> February and the Derry People Donegal News and Tirconail Tribune on Friday 25<sup>th</sup> February. One original of the newspapers and two copies of the relevant page of the newspapers are enclosed. Please note that the Donegal Democrat made an error in production, which resulted in the amended newspaper notice being cropped. This will be republished in Thursday 3<sup>rd</sup> March edition and an original of the newspaper and two copies of the relevant page of the newspaper will be forwarded to the Agency as soon as available.

The amended site notice was fixed at the proposed landfill site entrance on Thursday 24<sup>th</sup> February at the position shown on Drawing 5234.50/05 Rev A Site Notice Location. We have also enclosed a copy of information required on CD-ROM.

We trust that this is in order. However if you do have any queries do not hesitate to contact us.

Yours sincerely  
for RPS KMM

### APPLICATION TO THE ENVIRONMENTAL PROTECTION AGENCY FOR A WASTE LICENCE

NOTICE IS HEREBY GIVEN in accordance with the provisions of the Waste Management Act, 1996 – 2003 and Articles 5 and 6 of the Waste Management (Licensing) Regulations, 2004 (S.I. NO. 395 of 2004) that Donegal County Council, County House, Lifford Co Donegal, will apply to the Environmental Protection Agency (EPA), Johnstown Castle Estate, County Wexford, for a waste licence for a non-hazardous waste landfill at Meenaboll, Co Donegal. The site will accept up to 24,000 tonnes per annum. The National Grid Reference for the facility is E4094 N1995.

The classes of activity concerned are specified in the Third and Fourth Schedules of the Waste Management Act, 1996-2003, as follows:-

#### THE PRINCIPLE ACTIVITY TO BE CARRIED OUT ON THE SITE IS:

Class 5 of the Third Schedule of the Waste Management Act as *mandated* (1996):

Specially engineered landfill, including placement into lined discrete cells which are capped and isolated from one another and the environment.

The activity is also covered under the following Classes:

#### Third Schedule:

Class 1 Deposit on, in or under land (including landfill).

Class 4 Surface impoundment, including placement of liquid or sludge discards into pits, ponds or lagoons.

Class 6 Biological treatment not referred to elsewhere in this Schedule which results in final compounds or mixtures which are disposed of by means of any activity referred to in paragraphs 1 to 5 or paragraphs 7 to 10 of this Schedule.

Class 13 Storage prior to submission to any activity referred to in a preceding paragraph of this Schedule, other than temporary storage, pending collection, on the premises where the waste concerned is produced.

#### Fourth Schedule:

Class 2 Recycling or reclamation of organic substances which are not used as solvents (including composting and other biological processes).

Class 3 Recycling or reclamation of metals and metal compounds.

Class 4 Recycling or reclamation of other inorganic materials.

Class 13 Storage of waste intended for submission to any other activity referred to in a preceding paragraph of this Schedule, other than temporary storage, pending collection, on the premises where such waste is produced.

An Environmental Impact Statement (EIS) has been submitted with this application to the EPA.

The Waste Licence Application, accompanying Environmental Impact Statement and such further information relating to the application as may be furnished to the Agency in the course of the Agency's consideration of the application, will be as is practicable after receipt by the Agency, be available for inspection or purchase at the EPA Headquarters, Johnstown Castle Estate, County Wexford and at the Principal Offices of Donegal County Council, County House Lifford Co Donegal and Donegal County Council Offices in Milford, Letterkenny and Dungloe during normal working hours.

**APPLICATION TO THE ENVIRONMENTAL PROTECTION AGENCY FOR A WASTE LICENCE**

NOTICE IS HEREBY GIVEN in accordance with the provisions of the Waste Management Act, 1996 - 2003 and Articles 5 and 6 of the Waste Management (Licensing) Regulations, 2004 (S.I. No. 395 of 2004), that Donegal County Council, County House, Lifford, Co Donegal, will apply to the Environmental Protection Agency (EPA) Johnstown Castle Estate, County Wicklow, for a waste licence for a non hazardous waste landfill at Moneenell, Co Donegal. The site will accept up to 24,000 tonnes per annum. The National Grid Reference for the facility is E4694 N1994.

The classes of activity concerned are specified in the Third and Fourth Schedules of the Waste Management Act, 1996 - 2003, as follows:

**THE PRINCIPAL ACTIVITY TO BE CARRIED OUT ON THE SITE IS:**

Class 5 of the Third Schedule of the Waste Management Act (1996)  
 Specially engineered landfill, including placement into lined discrete cells which are capped and isolated from one another and the environment.

The activity is also covered under the following Classes

**Third Schedule:**

- Class 1 Deposit on, in or under land (including landfill)
- Class 4 Surface impoundment, including placement of liquid or sludge effluents into pits, ponds or lagoons
- Class 6 Biological treatment not referred to elsewhere in this Schedule, which results in final compounds or mixtures which are disposed of by means of any activity referred to in paragraphs 1 to 3 or paragraphs 10 to 12 of this Schedule.
- Class 13 Storage prior to submission to any activity referred to in a preceding paragraph of this Schedule, other than temporary storage, pending collection, on the premises where the waste concerned is produced.

**Fourth Schedule:**

- Class 2 Recycling or reclamation of organic substances, which are not used as solvents (including composting and other biological processes)
- Class 3 Recycling or reclamation of metals and metal compounds
- Class 4 Recycling or reclamation of other inorganic materials
- Class 13 Storage of waste intended for submission to any other activity referred to in a preceding paragraph of this Schedule, other than temporary storage, pending collection, on the premises where such waste is produced.

An Environmental Impact Statement (EIS) has been submitted with this application to the EPA.

The Waste Licence Application, accompanying Environmental Impact Statement and such further information relating to the application as may be furnished to the Agency in the course of the Agency's consideration of the application will be as it practices after receipt by the Agency, be available for inspection or purchase at the EPA Headquarters, Johnsons Castle Estate, County Wicklow and at the Principal Offices of Donegal County Council, County House Lifford Co Donegal and Donegal County Council Offices in Wildford, Letterkenny and Dungloe during normal working hours.

DONEGAL COUNTY COUNCIL

## Contract Notice : Tendered Procedure for Provision of New County Laboratory Facilities

Requests expressions of interest from developers for the provision of new County Laboratory facilities.

Requirements: a description of the facility required; location of Letterkenny, preferably accessible to the town.

Approximately 300m<sup>2</sup> laboratory space; appropriate specifications;

Commercial / industrial setting; provision of building and parking space.

Must be included in the expression of interest: a detailed proposal indicating compliance with the requirements.

Technical support team. Provision of comparable facilities.

Must be covered by a performance certificate (or for non-resident companies by a performance certificate that they are satisfied as to the suitability of the candidate to be awarded the contract) and a balance sheet or summary of annual accounts.

Expressions of interest should be forwarded for the attention of Donal Doyle at the County Business Centre, Ballyraine, Letterkenny and the County Engineer's Office for Provision of new County Laboratory Facilities. The closing date for receipt of submissions is **Friday 11th March, 2005.**

Expressions of Interest, submissions will be assessed and short-listed. A minimum of five candidates shall be invited to tender. A sufficient number of suitable submissions are required and successful candidates will also be invited to interview as part of the assessment process. Successful candidates will be required at the interview stage.

The contract will be awarded to a single legal entity.

All records received in relation to submissions to the County Council may be subject to requests for information under the Freedom of Information Act which came into force on 21st January 2005. Details of the contractors in relation to services provided to the County Council is not obliged to be published.

Abhaile Aris, the pro-  
Abhaile Aris, the pro-  
ject working with  
republican ex prisoners  
in Donegal have said  
that a recent story in the  
British tabloid, "The  
Daily Mirror" has  
caused grave concern  
and anxiety to some of  
the families that they  
work with in the county.  
The story published in  
the "Irish" edition of the  
tabloid, quoted a gov-  
ernment source threat-  
ening to re imprison a  
number of republican ex  
prisoners if the peace  
process becomes unsta-  
ble. Photographs of  
some former prisoners  
were included in the  
piece.

Abhaile Aris, project  
coordinator, Anne Blair,  
said: "This story was a  
disgraceful attempt to  
criminalise members of  
our target group who  
have played an entirely  
supportive role in terms  
of the peace process.  
The fact that photo-  
graphs were included  
in the piece is very men-  
acing and has caused
