Re: Agency's Web Site

Dear Mr Loftus

Applicants to the Agency for IPPC or Waste licences, along with the holders of such licences, are requested to note that the Agency has developed a Web Site, which will include information about all such applications and licences.

As you are aware, the Agency has a policy of openness and transparency, in relation to access to information, about facilities, which are licensed by the Agency, and about facilities, which apply to it for a licence. As one means of fulfilling that policy commitment, the Agency's Web Site will include, as a minimum, the following information:

- Names & Addresses of all licence applicants and of all licensees
- The closing date for the receipt of objections in respect of each application
- The Agency's proposed decision or final decision on each licence application
- A copy of each IPC and Waste licence granted by the Agency
- The Agency's annual Pollution Emissions' Register, which summarises potentially harmful pollutant releases, or transfers, from facilities licensed by the Agency
- A copy of the Agency's audit reports on licensee performance
- A copy of the IPC and Waste Management registers maintained by the Agency, in accordance with the EPA Acts, 1992 and 2003 and the Waste Management Acts, 1996 to 2003
- Other information, as the Agency considers appropriate

The address of the Web Site is <http://www.epa.ie>.

Yours sincerely,

Ann Bosley
