Re: Request from North Tipperary County Council on whether an EIS is required to be submitted to EPA in support of the Ballaghveny waste licence review application (Reg. No. 78-2).

Dear Ms. Doyle

I refer to the Agency's letter of 27<sup>th</sup> October, 2005 (copy attached) regarding the processing of an application from North Tipperary County Council for a review of their existing Waste Licence in relation to the Ballaghveny Landfill, Reg No: 78-1.

The Agency is in the process of completing the assessment of this application and urgently requires advice regarding whether or not the application should be supported with an EIS. It would be appreciated if you could inform the Agency of your decision in this regard at the earliest possible date.

Yours sincerely

Yvonne Clooney
