Re: **Waste Licence Applications for Listowel Civic Amenity Centre:
Register Number 224-1**

**Waste Licence Application for Dingle Civic Amenity Centre:
Register Number 225-1**

Ann,

Please find enclosed Surface Water Surveys and Dust Surveys completed for Listowel and Dingle Civic Amenities.

Waste Licence Applications for both these proposed Civic Amenity Centres were sent to the Agency on 22nd November 2005. As these surveys were not complete at the time of forwarding the applications, a cover letter was enclosed stating that these would be forwarded at a later date.

The Agency notified receipt of documentation relating to the Waste Licence Applications on 28th November 2005 and assigned the above mentioned register numbers.

All survey results have now been forwarded to the Agency.

If you have any questions please do not hesitate to contact me

Thank you and regards

Helen Griffin
