Dear Ms. Riordan,

Thank you for your letter of 6 February 2006.

In relation to submissions, there is no statutory deadline for the receipt of submissions under the relevant waste regulations. However, submissions can be received up to the time the Board of the Agency makes their decision on the Proposed Decision.

As you may be aware, the Agency cannot issue a Proposed Decision before the expiry of a period of one month from the date of the Agency's Article 14(2)(a) acknowledgement. As this month has now passed third parties to the application are advised to send in their submissions as soon as possible.

The application documentation and office file is available for inspection to members of the public at the Agency's headquarters at the above address.

Yours sincerely,
