re: Notice of a decision on a waste licence application, in accordance with Article 34 of the Waste Management (Licensing) Regulations.

Dear Mr King,

In accordance with Article 34 of the Waste Management (Licensing) Regulations, the Agency hereby notifies you of its decision to grant a waste licence subject to conditions to Kings Tree Services Limited in respect of a facility at Coolbeg, Co Wicklow. Please find accompanying a copy of the Agency's decision.

Also enclosed is a copy of a draft Guidance Note on Environmental Management Systems and Reporting to the Agency. Conditions of the waste licence for the above facility require that the Agency is notified of specified matters and that reports and other materials are forwarded at defined intervals. The draft Guidance Note is intended to assist you in the production of this information. It is the Agency's intention to complete a review of this document and publish it in due course.

Please use the register number of the waste licence, 218-1, in any future communication in respect of same and include an original and three copies of all items in the correspondence.

You will be contacted in due course by an inspector in the Office of Environmental Enforcement, Environmental Protection Agency, who will discuss the implementation of the conditions of the licence.

It should be noted that the Agency requires notification, in writing, from the licensee at least one week in advance of the commencement of the licensed waste activities, for compliance with Section 41(6) of the Waste Management Acts, 1996 to 2003.

European Waste Catalogue and Hazardous Waste List

The European Waste Catalogue and Hazardous Waste List is a consolidated document designed to ease the task of classifying waste and hazardous waste and understanding the legislation associated with the classification of waste and hazardous waste. It may be used in classifying all wastes and hazardous wastes. It is available to download from the Agency's website at:-
