**Licensee: Dublin City Council  
Labre Park  
Ballyfermot  
Dublin 12**

**Register of Licence No: 221-1**

The Directors considered a recommendation from the Office of Licensing and Guidance that the Agency approve the recommended decision to grant a Waste Licence. The following documentation was submitted: recommended decision; 13 third party submissions; summary report of the Inspector. A copy of the licence application was tabled.

It was noted that the Directors had deferred a decision on this Application at their meeting held on 20 December 2005, pending clarification regarding historic waste at the site. A memorandum from the Office of Licensing and Guidance, dated 31 January 2006, clarified all issues raised to the satisfaction of the Directors.
