Reg. No. 219-1

re: Notice in accordance with Article 14(2)(b)(ii) of the Waste Management (Licensing) Regulations – S.I. 395 of 2004

Dear Mr. Finnegan,

I am to refer to the above referenced application for a waste licence relating to a facility at Organic Gold (Marketing) Ltd., Wilkinstown, Navan, Co. Meath. Having examined the documentation submitted, I am to advise that the Agency is of the view that the documentation does not comply with Article 12 and Article 13 of the Waste Management (Licensing) Regulations.

You are therefore requested, in accordance with Article 14(2)(b)(ii) of the regulations, to take the steps and supply the information detailed below:

ARTICLES 12 & 13 COMPLIANCE REQUIREMENTS

1. Submit a revised site layout map incorporating the location of the water tank on the concrete composting slab and indicate its purpose. Please note the tank in question is not Tank C but a tank observed adjacent to the temporary storage shed during the site notice inspection on the 19/05/05.
2. Submit an engineers report confirming that the concrete composting slab is impermeable and sufficient for groundwater protection.
3. Confirm the method of transfer of leachate from Tank B to Tank C and describe the controls in place that activate this transfer.
4. Give details of the predicted leachate, soiled water and storm water volumes in m³ and estimates of process usage of same.
5. Identify on a suitably scaled map the location of the well and provide details of mitigation measures to protect the well from contamination.

Your reply to this notice should include a revised non-technical summary (Application Form and EIS) which reflects the information you supply in compliance with the notice, insofar as that information impinges on the non-technical summary.

In the case where any drawings already submitted are subject to revision consequent on this request, a revised drawing should be prepared in each case. It is not sufficient to annotate the original drawing with a textual correction. Where such revised drawings are submitted, provide a list of drawing titles, drawing numbers and revision status, which correlates the revised drawings with the superseded versions.

Please supply the information in the form of a one original plus two copies within six weeks of the date of this notice. In addition submit sixteen copies of the requested information to the Agency in electronic searchable PDF format on CD-ROM.

Please note that the application's register number is **219-1**. Please direct all correspondence in relation to this matter to the *Licensing Unit, Office of Licensing & Guidance, Environmental Protection Agency, Headquarters, PO Box 3000, Johnstown Castle Estate, County Wexford* quoting the register number.

Yours sincerely,

Dr. Karen Creed
Inspector
Office of Licensing & Guidance
