Dear Ms. Riordan,

I refer to your letters dated 3 Feb and 27 Feb.

I visited each of the facilities controlled by the EPA in the Fermoy area to acquaint myself with their location and their proximity to your house. I did not write any report as it wasn't relevant to do so.

The current position is that I am examining all of the data in light of your response, dated 3 Jan 2006, to my request for details of the sampling of your well. When completed I will write to you with my considered view.

Yours sincerely,

Dr. Padraic Larkin.  
Director  
Office of Licensing and Guidance.
