Dear Sir or Madam.

I received Ms Jacinta Ponzi letter of the 18th January.

Perhaps I did not give sufficient information about the records I requested in my letter dated the 18th November 2004.

I phoned the EPA on numerous occasions about the contamination in my well and a record was made of my phone calls.

Please send me a copy of the records that the EPA made of my phone calls about the contamination of my well.

I am making a request for the records under Directive 2003/4/EC
