Re: Objections to the proposed decision of the Agency on a waste licence application by Neiphin Trading Limited, in respect of a facility at Kerdiffstown, Co. Kildare, Reg No:47-2.

Dear Dr. Nealon

I refer to your letters dated 7th and 16th March, 2006.

I am to advise that it is noted that your letter of 7th March was not a submission on an objection.

I am also to advise that the Agency has now determined that the objection from Arthur Cox on behalf of a client is invalid. In these circumstances you are advised, in the context of making a submission on objections to disregard the correspondence from Arthur Cox.

Yours sincerely

Reg No: 47-2

Re: Objection to the proposed decision of the Agency on a waste licence application by Neiphin Trading Limited, in respect of a facility at Kerdiffstown, Co. Kildare, Reg No: 47-2.

Dear Dr. Nealon

I refer to the Agency's letter of 3rd March, 2006 circulating objections to the proposed determination on the above review of a waste licence.

In accordance with Article 23 of the Waste Licensing Regulations, 2004, S.I No: 395 of 2004, the Agency circulated objections to all parties to the objections inviting them to make a submission on the other objections received.

The Agency has now determined that the objection from Arthur Cox on behalf of a client is invalid. In these circumstances you are advised, in the context of making a submission on objections to disregard the correspondence from Arthur Cox.

Yours sincerely

Yvonne Clooney
