A copy of the licence application was tabled.

P Larkin gave a presentation.

**Inspector's Report**

The Directors noted the Inspector's Report and the memorandum, dated 5 September 2005, from P Nolan, Programme Manager, OLG.

**Recommended Decision**

The Directors considered the Recommended Decision and, following detailed discussion, did not accept all of the Inspector's recommendations on the grounds that the proposed Licence did not adequately take account of the need for the immediate remediation of the site. It was decided that a revised document, incorporating the recommendations discussed at the meeting, would be prepared by the Office of Licensing and Guidance and submitted to the Directors for further consideration
