To whom it concerns
I wish to lodge my objection to Brownfield Restoration Ireland Ltd. receiving a license for a landfill operation at the site known as O'Reilly quarry, Whitestown, Co. Wicklow. To legitimize this illegal dumping site would only reward criminal activity and act as a dangerous precedent. I fully support the aims of the Whitestown Awareness Group in this matter.
I trust that the EPA will ensure that this site is fully cleaned and complies with EU law and directives in this matter and that further dumping is never allowed on this site.

Yours sincerely
