Dear Sir or Madam

I am writing to object to the planned Waste Management facility at O'Reilly's pit in Whitestown. I feel that there is already a dump in the area at Rampere that caters for the locality at least, so why should we, the locals, put up with a dump for people from other areas.

It has to have an impact on air pollution and as I have three asthmatic children in the house as well as an elderly man who has respiratory problems, I am totally against the proposal for this dump. Also, as it was an illegal dump in the first place and there was such an uproar at the time of its discovery, why almost condone illegal dumping by making this land a dump, thereby making money for the owners of this land.

Yours faithfully

Lisa Byrne
