Dear Sirs

Ref: Application No 05/2224

I am writing to object to the proposed planning application for a dump at Whitestown. I am the Manager of the Chrysalis Centre which is 500 metres from the proposed site. I'm very concerned about the impact the increased traffic, noise, smells and general unsightliness the dump will have on our business. We offer peace, quiet and tranquillity. All these would be at seriously at risk... as would our long established business.

I enclose a €20 fee. Please send me a receipt that you have safely received this objection and money.

Yours faithfully

Claire Pilling
