To whom it may concern

My wife and I object in the strongest possible terms to the proposed dump at Whitestown. As we live only 2 1/2 km from this site and are farmers, our livestock would be seriously at risk and our livelihood.

The N81 is already an overcrowded road and the prospect of up to 100 extra trucks on the road daily is simply outrageous. This would be putting our close knit community and our local children at risk. This proposed dump MUST not be allowed to go ahead.

Yours sincerely
