Re Application No 05/2224

I understand an application has been made to Wicklow County Council for Planning Permission to operate a major landfill dump on the site of the illegal dump at Whitehorn. Apparently the owners have already applied to the E.P.A. for a Waste Licence.

At a time when illegal dumping is the single greatest factor effecting the environment in West Wicklow and many illegal dumping cases have yet to be dealt with in the courts, what Wicklow County Council looks set to throw a bone? The idea would be humorous if it was not so serious.

The proposal is unhealthy where vermin flourish in the area, is bad for farming, bad for tourism & will affect traffic in the area & the safety value of residents in the area.

I am seriously objecting to this proposal & can advise I will with others seek a way forward towards ensuring that this never happens.

This proposal sends out the wrong message to the people & children of this country whereby it actually & currently encourages legal dumping, which is well known & continues in the area.

Furthermore, it is time to act & reject this proposal out of hand.

Yours truly
