re: Notice in accordance with Article 14(2)(b)(ii) of the Waste Management (Licensing) Regulations

Dear Ms Griffin

I am to refer to the above referenced application for a waste licence relating to a facility at Dingle Civic Amenity Centre, Flemingstown, Lispole, Dingle. Having examined the documentation submitted, I am to advise that the Agency is of the view that the documentation does not comply with Article 12 of the Waste Management (Licensing) Regulations.

You are therefore requested, in accordance with Article 14(2)(b)(ii) of the regulations, to take the steps and supply the information detailed below:

## ARTICLE 12 COMPLIANCE REQUIREMENTS

### A. Non Technical Summary

Please provide a drawing identifying all monitoring and sampling points referred to or proposed in the application.

It is noted that the grid reference of the site, as referred to in the non-technical summary differs from that referred to in the site and newspaper notices. Please clarify the grid reference.

### B.3 Planning

Attachment B.3 of the application refers to the fact that the Planning Section of Kerry County Council has granted planning permission for this facility. Please provide a copy of the relevant planning permission.

**F.2, F.3, F.4 and F.6**

Monitoring and sampling locations for dust, surface water, discharge from the foul water treatment system and noise are referred to in the application. Please provide a drawing showing the locations of all monitoring and sampling points referred to or proposed in the application.

(It is noted that noise monitoring locations were specified in a drawing submitted with additional information but these monitoring locations should be included in the drawing required above).

Your reply to this notice should include a revised non-technical summary, which reflects the information you supply in compliance with the notice, insofar as that information impinges on the non-technical summary.

In the case where any drawings already submitted are subject to revision consequent on this request, a revised drawing should be prepared in each case. It is not sufficient to annotate the original drawing with a textual correction. Where such revised drawings are submitted, provide a list of drawing titles, drawing numbers and revision status, which correlates the revised drawings with the superseded versions.

Please supply the information in the form of a one original plus two copies within **four** weeks of the date of this notice. In addition please submit two copies of the requested information in electronic searchable PDF format on a CD-ROM to the Agency. Please note that all maps/drawings should not exceed A3 in size.

Please note that the application's register number is **W0225-01**. Please direct all correspondence in relation to this matter to Sonja Smith in the *Licensing Unit, Office of Licensing & Guidance, Environmental Protection Agency, Headquarters, PO Box 3000, Johnstown Castle Estate, County Wexford* quoting the register number.

Yours sincerely,

**Maeve McHugh**  
**Inspector**  
**Office of Licensing & Guidance**
