**Re: Waste Licence Application Reg. 211-1 AVR Environmental and Submission of outstanding Information**

Further to our meeting with Ms Ciara Maxwell and Mr. Patrick Byrne of the EPA on 16<sup>th</sup> March 2003 with respect to clarification of information regarding the above referenced licence, and your letter of 29<sup>th</sup> March 06 noting our proposed timeframe for submission of outstanding information please note that all outstanding information will be submitted, at latest, 19<sup>th</sup> May 06.

I apologise for this unforeseen delay which has resulted from a delay in receipt of the condensate required for analysis, and a further delay from the laboratory undertaking analysis due to technical difficulties.

We have verbally notified Ms Ciara Maxwell, EPA Inspector for the project of the delay.

If you have any further queries with respect to this please contact the undersigned.

Kind regards
