# APPLICATION TO THE ENVIRONMENTAL PROTECTION AGENCY

## FOR A WASTE LICENCE

Notice is hereby given in accordance with the provisions of the Waste Management Act, 1996, that Lawlor Brothers Waste Disposal Limited trading as Access Skips is applying to the Environmental Protection Agency for a Waste Licence for the company's waste Recycling Centre at JFK Industrial Estate, John F Kennedy Road, Naas Road, Dublin 12 (National Grid Reference E 309600, N232000).

The principal activity carried out at the site, as specified in the Fourth Schedule to the Waste Management Act, 1996, is as follows:

"2. Recycling or reclamation of organic substances which are not used as solvents (including composting and other biological processes.)"

Other activities carried out at the site, as specified in the Fourth Schedule to the Waste Management Act, 1996, are as follows :-

"3. Recycling or reclamation of metals and metal compounds."

"4. Recycling or reclamation of other inorganic materials."

"13. Storage of waste intended for submission to any activity referred to in a preceding paragraph of this schedule, other than temporary storage, pending collection, on the premises where such waste is produced."

The activities carried out at the site, as specified in the Third Schedule to the Waste Management Act, 1996, are as follows :-

" 11. Blending or mixture prior to submission to any activity referred to in a preceding paragraph of this Schedule."

" 12. Repackaging prior to submission to any activity referred to in a preceding paragraph of this Schedule."

"13. Storage prior to submission to any activity referred to in a preceding paragraph of this Schedule, other than temporary storage, pending collection, on the premises where the waste concerned is produced."

It is proposed that the Recycling Centre will process up to 95,000 tonnes per year of non-hazardous commercial, industrial, household, construction and demolition wastes.

A copy of the Waste Licence Application, Environmental Impact Statement and such further information relating to the application as may be furnished to the Agency in the course of the Agency's consideration of the application will, as soon as practicable after receipt by the Agency, be available for inspection or purchase at the headquarters of the Agency, PO Box 3000, Johnstown Castle Estate, County Wexford, Ireland.

**PLANNING APPLICATIONS**

**FINGAL COUNTY COUNCIL**

Denis McBaron, Intend, to apply for permission to demolish existing dwellings with associated ancillary site structures on site and construction of 66 new dwelling units in 3 separate residential blocks (A, B & C). A four storey (with levels progressively stepping in towards final penthouse level) 53 unit number apartment block designated Block A with apartment balconies facing onto the Castleknock Road and to the north-east and south-west of the site. This block includes 23 one-bed, 23 two-bed and 8 three-bed apartments and has a gross floor area of 5340m<sup>2</sup>. It is located to the front of the site facing onto the Castleknock Road (B). A three storey (top storey stepping in) 28 unit number apartment block designated Block B with apartment balconies facing onto the Castleknock Road and to the north-east of the site. This block includes 6 one-bed, 12 two-bed and 10 three-bed apartments and has a gross floor area of 741m<sup>2</sup>. It is located to the front of the site facing onto the Castleknock Road (C). Two storey 5 number three-bed terrace houses designated Block C to the rear of the site with a gross floor area of 562m<sup>2</sup>. 10 surface and 97 underground car parking spaces will be provided for this development with access to site 97 underground spaces located to the south-east boundary. A new vehicular access to the site will be provided off the junction of the Castleknock Road and Park Lodge Road. The Castleknock Road is to be widened and as stated a slip/lane provided into the site and the road junction with the Park Lodge Road altered for the new road conditions. All lands formerly known as Middlewood, Whithorn Cottage and Baganza, Castleknock Road, Castleknock, Dublin 15. The application may be inspected or purchased between 9.00 a.m. to 5.00 p.m. at the offices of the Planning Authority and a submission or observation in relation to the application may be made in writing to the Planning Authority on payment of a fee of €20.00 within a period of 28 days beginning on the date of receipt by the Authority of the application.

Dublin 8 and having no assets or liabilities has resolved to notify the Registrar of Companies that the company is now carrying on business and to request the Registrar on that basis to exercise his powers pursuant to section 311 of the Companies Act 1963 to strike the name of the company off the register. By Order of the Board John H. Fickering Director/Company Secretary

**PLANNING APPLICATIONS**

**WICKLOW COUNTY COUNCIL** Planning Permission is sought by Willie & June Roe for the permanent retention of dwelling, garage, tank installation and associated site works at Killough Farm, Killough Lower, Kilmacanogue, Co. Wicklow. The Planning Application may be inspected at the offices of the Planning Authority at Wicklow County Council, County Buildings, Wicklow Town, during opening hours from 9.00 a.m. to 3.30 p.m. Monday to Friday excluding Bank Holidays. A submission or observation in relation to the application may be made in writing to the Planning Authority within five weeks of the application being lodged. Submissions must be accompanied by a fee of €20.00.

**PUBLIC NOTICES**

**APPLICATION TO THE ENVIRONMENTAL PROTECTION AGENCY FOR A WASTE LICENCE**

Notice is hereby given in accordance with the provisions of the Waste Management Act 1996 that Lawlor Brothers Waste Disposal Limited (trading as Access Waste Recycling) of Kennedy Road, John F. Kennedy Industrial Estate, Naas Road, Dublin 12 is applying to the Environmental Protection Agency for a Waste Licence for the company's waste recycling plant at John F. Kennedy Industrial Estate, Naas Road, Dublin 12. (National Grid Reference E309600 N232000)

The principal activity carried out at the site as specified in the Fourth Schedule to the Waste Management Act 1996 is as follows:

- 2. Recycling or reclamation of organic substances which are not used as solvents (including composting and other biological processes)
- Other activities carried out at the site as specified in the Fourth Schedule to the Waste Management Act 1996 are as follows:
- 3. Recycling or reclamation of metals and metal compounds.
- 4. Recycling or reclamation of other inorganic materials.
- 13. Storage of waste intended for submission to any activity referred to in a preceding paragraph of this schedule, other than temporary storage pending collection on the premises where such waste is produced.

The activities carried out at the site as specified in the Third Schedule to the Waste Management Act 1996 are as follows:

- 11. Blending or mixture prior to submission to any activity referred to in a preceding paragraph of this Schedule.
- 12. Repackaging prior to submission to any activity referred to in a preceding paragraph of this Schedule.
- 13. Storage prior to submission to any activity referred to in a preceding paragraph of this Schedule, other than temporary storage pending collection on the premises where the waste concerned is produced.

It is proposed that the Recycling Centre will process up to 95,000 tonnes per year of non-hazardous commercial, industrial household construction and demolition wastes.

A copy of the Waste Licence Application and such of the information relating to the application as may be furnished to the Agency in the course of the Agency's consideration of the application will be available for inspection or purchase at the headquarters of the Agency, P.O. Box 3000, Johnstown, Castle Estate, County Wexford.
