Re: Notice of extension of period for consideration of objections to the proposed decision on a waste licence application by Donegal County Council in respect of a facility at Meenaboll Landfill Site, Letterkenny, County Donegal.

Dear Mr Mulgrew,

I refer to the objections to the Agency's proposed decision on the above referenced waste licence application.

I am to notify you in accordance with the provisions of Article 33(1) of the Regulations, that it will not be possible because of the complexity and nature of the information to be considered in the determination of the objections, to carry out the procedures for the consideration of the objections within the period specified in the Regulations.

I am also to advise that the Agency intends to complete the consideration of the objections before 19th July 2006.

The Agency intends to issue its decision on the application before the specified date, and will take all reasonable steps to ensure that there are no avoidable delays in making its decision.

Yours sincerely
