Subject: Re: Organic Gold Waste Licence Application - Reg No. 219-1

Dear Karen,

I would like to advise that we are currently working on completing the Article 12&13 request for further information in relation to the Waste Licence Application for Organic Gold - Reference number 219-1. This will be lodged in the coming days. I would appreciate if you could give me a call when you return to work to discuss this request and to ensure that we are returning all relevant information.

We have also noticed that the letter of correspondence that we received in relation to the above request was dated incorrectly and stated the 16/06/05 rather than the 27/02/06. We would therefore appreciate if you could resend this letter with the correct date.

Thanks and regards,

Lorraine
