**Re: Waste Licence Application by Dublin City Council**

Dear Sir/Madam,

Further to public notice dated 30<sup>th</sup> June 2006 (copy enclosed), we now enclose a Waste Licence Application for the proposed Dublin Waste to Energy facility at Poolbeg, Dublin. The proposed facility will thermally treat household, commercial and non-hazardous industrial waste with a design capacity to treat up to 600,000 tonnes of waste annually.

In accordance with the Waste Management Licensing Regulations 2004, the following are included with the application.

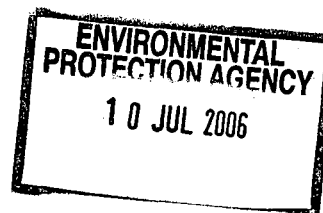

- 1 signed original of the application
- 2 additional copies of the application in hardcopy format
- 2 copies of all application files in electronic searchable PDF format on CD
- 1 signed original of the EIS
- 2 additional copies of the EIS in hardcopy format
- 16 copies of all EIS files in electronic searchable PDF format on CD
- Relevant Application Fee

We trust that the attached is in order. If you require any further information or clarification, we will arrange accordingly.

Perhaps you would arrange that all contact in relation to this application with the City Council is with the undersigned at the above address.

Yours sincerely,

  
M. Twomey  
Assistant City Manager
